MENTORING

TERMS AND CONDITIONS.

# GROUP MENTORING

# T' S & C' S:

- To secure your place, I require 50% of the total package price and one week before our group sessions begin, for the rest of the package to be paid upfront. Your place for the group will not be secure until deposit is made.
- The groups are scheduled the same time every week for a period of time. Please ensure you can commit to all dates provided before paying your deposit and locking your spot in as this package is **non-refundable**. Should there be a reason you can no longer attend your group, please let me know and we can discuss further to find a solution that suits you best. Whether this is moving to another group in the future or converting your package to 1:1 mentoring.
- These spaces are safe spaces. No abuse or discrimination is tolerated in these circles. This will result in immediate removal from the group.

# 1:1 MENTORING

# T' S & C' S:

- Three sessions are the minimum I offer at this time to ensure we have enough time together to get to the good stuff.
- To secure your place, I require 50% of your total package price and one week before our sessions begin, for the rest of the package to be paid upfront.\*\*\*
- The 1:1 mentoring packages are **non-refundable** so please ensure your package is right for you before purchasing.
- No abuse or discrimination is tolerated during our work together. This will result in an immediate stop to our 1:1 work together.
- To ensure that we don't fall off and keep the work active, I ask that all sessions to be completed within a three month time period from when we began. This ensures that not *\*too\** much time passes in-between our sessions and it is consistent. I'll give you a gentle nudge if some time passes and we are approaching the end of the three month window.
- I want this to be as flexible as possible for you! I ask that you give me a minimum of two weeks notice to when you might want to schedule each session should we not have already agreed diary dates prior in our 1:1 consultation.

SO,

THANK YOU,

I hope we have the opportunity to work together!
